

NAPOLEON TOWNSHIP

Winter 2018 Community Survey • Napoleon Township Master Plan

The third edition of the *Napoleon Township Master Plan* is currently under development by the Planning Commission. An important part of the planning process is to collect the opinions, wants, and needs of the people who live, work, own property, and/or own businesses in Napoleon Township. Accordingly, the Planning Commission is conducting this survey to gather opinions on the facilities and services it provides as well as potential Township policies. Please take a few minutes to complete and return this survey form so that together, we can secure Napoleon Township’s future. All responses will be kept confidential - a signature is not required. Additional comments regarding any of the survey questions may be added at the end of the survey form. Please take only one survey per person by dropping it off at the Township Offices, mailing it directly to the Township, emailing it to zoneadmin@napoleontownship.us, or taking it online at www.napoleontownship.us. Please provide your response by April 2, 2018. If you have any questions regarding the survey, please visit the Township Offices at 6755 Brooklyn Road, Napoleon, or call 536-8694. Thank you for your cooperation and assistance. **Your opinion matters!!**
